

CityMag

Established in 2013 as a way to empower the New Adelaide, *CityMag* has built a capacity in our audience to be leaders and lovers of this city. We believe the stories a society tells itself become its reality and therefore it must be our mission to make Adelaide's story a great one.

How print works for our clients:

1. It gives them CONTROL

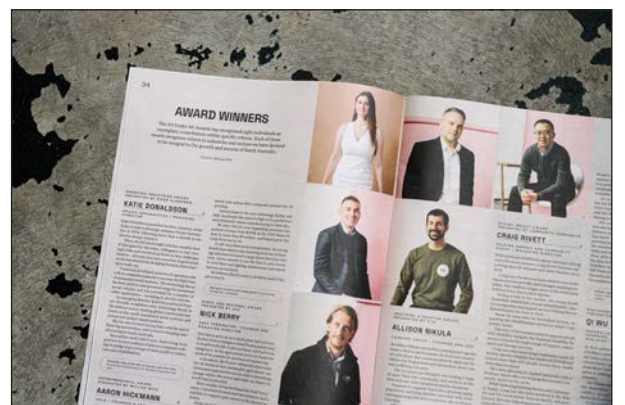

You have the option to control where your advertisement goes and what content it sits opposite

2. They get BIG IMPACT

Print advertising cannot be ignored as readers thumb through the magazine from left to right and hit every page

3. They become part of a MOVEMENT

Adelaide is changing and there are new opportunities and new markets constantly emerging. We put our advertising partners in touch with the tastemakers and thought leaders in our state

Reach and frequency can be achieved with transparency online

CityMag is the voice of Adelaide's emerging generation of young professionals

While our stories are not confined by the borders of the Adelaide CBD, every *CityMag* story is informed by our daily city-based lives and the cosmopolitan mindset we share with our audience. Whether we're writing about a new bar, new research, new legislation, or touring the home of a new CBD resident, our audience expects us to approach the story with care, thought and intelligence. Their reward is a unique insight into the people and places shaping their city and state; our reward is the time they allow us to tell our stories.

In *CityMag*'s Parklands edition, we take a long walk through Adelaide's iconic green belt. As the city council pitches to make Adelaide the world's second National Park City, we explore the history of the Parklands, how people are currently making the most of the green space, and what the future of the Parklands could be, under the right leadership.

The 20,000 copies of (free) *CityMag* are distributed to art galleries, museums, coffee shops, pubs, cafes, clothing boutiques, businesses (incl Govt, MPs and banks) and gift shops located in the CBD and surrounds. You can also pick up a copy of the magazine at UniSA, Flinders Uni and Adelaide University campuses.
