## INSPIRING READERS TO BUILD THEIR DREAM HOME

Everyone loves a peek inside other people's homes. Whether you're looking for practical solutions, design inspiration or just dreaming of a future project, there is something irresistible about a glimpse of how the other half live.

We explore the hottest design trends of the year in kitchens, bathrooms, furnishing and interior design. What colours should you consider? Perhaps your outdoor kitchen needs an update? This magazine contains the most valuable information every renovator, decorator or new-builder is seeking.

We feature a property in every issue of SALIFE magazine, and we know they're some of our most popular pages. This is why we produce the annual SALIFE PREMIUM PROPERTY magazine. At 150-plus pages, it's full of some of SA's most exciting homes.

If you want to reach an engaged audience, SALIFE PREMIUM PROPERTY is the ideal place for your products and services.

## **MATERIAL** requirements ...

- All artwork is supplied as Press Quality PDFs.
- All images and logos are 300dpi, CMYK (no spot colours).
- All fonts are embedded or outlined.
- All double page and full pages are supplied with 5mm bleed. This continuation of your artwork allows for potential minor variation when the magazine is trimmed.
- The minimum font size is 6.5pt for contact details and minimum 7.5pt for body copy. Reversed text should be medium to bold.
- Colours will only be matched if artwork is supplied with a hard copy proof, provided from a printer's professional colour proofing system. All other hard copy proofs will be used as a positional guide only.
- Ensure all page elements are in CMYK and 300dpi. When saving a pdf for submission, please use bleed, but no crop, bleed or registration marks. No bleed required for a half page.
- Ensure type is 20mm from the gutter. Keep all important information 15mm from the top and bottom of your page.
